Dear Patients/Friends,

I am delighted to share some wonderful practice news with each of you. Due to continued high demand for my practice, and after an extensive search, I am honored to introduce you to my new highly qualified physician associate, Dr. Melissa Clark.

Dr. Clark will join me on December 28, 2026 and will begin seeing new patients immediately. I will continue to see my current patients and Dr. Clark will cover for me whenever I am out.

In 1994 Dr. Clark earned her bachelor's degree from Wittenberg University where she graduated Cum Laude. She then earned her M.D. from the Wright State University School of Medicine. Her family medicine residency was completed at the University of Illinois where she served as Chief Resident.

Dr. Clark is the recipient of numerous awards including the Academic Achievement Award in residency (2002), the Liliane Pauyo Memorial Scholarship (1998) which allowed her to spend time in Panama as a medical student and the Dr. Mary D. and Richard E. Pryor Scholarship (1998). Since becoming a physician, she has volunteered with multiple organizations.

She has over 20 years of experience in a wide variety of practice settings including community primary care, providing care for those with eating disorders, preventive medicine programs, quality improvement initiatives, providing physician oversight and; she has served as a speaker on the topic of Physician Wellbeing at multiple medical meetings.

Dr. Clark resides in Montgomery County and is excited to be able to provide patient-centered primary care in our practice setting which allows time for creating healing partnerships with patients and families.

Please join me in welcoming Dr. Clark and be sure to refer your family and friends to meet with her and join the Rockville Concierge Doctors family. Thank you.

Sincerely,

*Dr. Aimee Seidman*
